Coraline Sliding Tub Door

The Coraline Collection by Aston, offers an extensive variety of Completely Frameless Sliding Shower Doors and Enclosures that are as beautiful as they are functional. All models are exquisitely designed with 3/8 in. thick tempered glass and an innovative two-wheeled sliding operation, and stainless steel, chrome or oil rubbed bronze hardware options. The Coraline collection is sure to deliver style and sleek sophistication to any residential or commercial installation.

Featuring a Tub-height sliding glass door for an existing 60" tub alcove and variety of finishes and glass styles, the Coraline Collection will create an upscale custom solution for any project.

- Premium Clear or Frosted 3/8" (10mm) tempered safety glass
- "Effortless Opening" 2-wheel roller system
- Engineered for left or right handed door installation
- Accommodates "Out of Plumb" openings of up to 1/4" per side
- Variable width – tub door, width can be reduced up to 4"
- Full-length clear seals included
- Installation hardware included
